Skiing Lessons at Norwich Ski Centre – March & April 2027

Dear Parents/Carers,

We are pleased to offer children in **year 2, 3, 4, 5 & 6** the opportunity to take part in **skiing lessons at Norwich Ski Centre during March and April 2027**.

The lessons will be a great opportunity for children to develop their skiing skills, confidence and independence, while having lots of fun. The first stage will be a block of 4 weeks, this aims to have children learn to form and hold a good skiing position and making turns in both directions. They will then progress to stage 2 for another 4 lessons where they will learn to link these turns confidently on the nursery slope and develop their skills on our main slope.
