Music Concert on The Green

Dear Parents/Carers

We would like to invite you to a summer music concert on the Green on Friday 3rd July at 2pm. We will have ensemble performances from our KS2 Orchestra, from our KS1 percussionists and, for the first time, our Reception class.

The musicians will be housed in our large tea-tent with spectators sat on the grass. We would welcome as many spare hands as possible after sports day to put up the tents and gazebos ready for this event and the fete on Saturday.

Can I take this opportunity to remind all spectators not to take photos of children without permission from their parents or supervising adult, as not all children have consent for their photographs to be taken or used. School staff will be taking photos throughout the afternoon, which we will share on our social media and website.

Lastly, please can spectators refrain from using the road around the Green during the event and to park considerately on the Street or at The Forge to avoid the risk to spectators or participants and traffic. Please pass this information onto relatives who will be attending.

We are looking forward to seeing you on Friday.

O. Clifford
