Parking

Dear parents and carers

Please be mindful of parking restrictions when parking on the Street at collection and drop-off times:

- The zigzag marking either side of the School road entrance cannot be parked upon either side of school opening hours
- Drivers should not park within 10 meters of junctions
- The school car park cannot be used by parents dropping off or collecting, in order to provide regular access to residents

Parents and carers are welcome to park at the Forge Garage on the Street and walk, scoot or bike children into school.

Parking Enforcement Officers do routinely attend during school drop-off and collection times.

Thank you for your understanding.

Best regards

Mr Clifford
