Extra-Curricular Piano Lessons

Dear parents and carers

We are seeking to provide opportunities for pupils to learn the piano before and after school. We are hoping to work with a piano teacher, Thea Bunseedhun, who has recently moved to Blundeston and has had many years' experience teaching in schools in the Peak District.

The lessons would take place on a Monday and a Wednesday both before and after school depending on interest. The lessons will cost £10 for each 15 minute lesson and would be paid directly to the tutor.

If you think your child would be interested in taking up this opportunity, do please complete the statement of interest form so we can coordinate with Thea. Please state your interest by the end of Friday 6th March 2026.

Best regards

Mr Clifford
