Headteacher: Mr O Clifford

Dear Parents and Carers,

As our Year 6 children begin their SATs next week, we would like to help them start each morning feeling calm and confident.

From Monday to Thursday, all children sitting SATs are warmly invited to join us for a special SATs Breakfast Club from 8:00am–8:20am each morning.

There will be a selection of breakfast (pastries/cereals/crumpets/toast & juice) items available, along with a relaxed and welcoming atmosphere where children can enjoy time with their friends. This is a wonderful opportunity for them to settle and feel supported to start the day positively.

Children should come directly to school for 8:00am and enter through the usual entrance.

We are incredibly proud of how hard the children have worked this year, and we know they will all do brilliantly.

Thank you for your continued support.

Best regards

Mr Clifford
