Parking Reminder – Keeping Our Children Safe

Dear Parents and Carers,

We would like to remind all parents to be mindful when parking outside the school, particularly near the exit of the green used by residents and staff.

To improve safety for both children and road users, this area will now be **coned off during pick-up time** to help prevent congestion and reduce the risk of accidents or collisions.

We kindly ask for your cooperation in avoiding parking in this area and instead using alternative parking options, including **The Forge car park or parking considerately further down**

We are also looking for any parent volunteers who may be able to spare a little time to help put out the cones from **2:45pm on a Monday & Tuesday afternoon**. Any support would be greatly appreciated, please contact the school office if you are able to help.

These measures are being introduced purely for the **safety of our children and to help avoid collisions and traffic issues at the end of the school day**.

Thank you for your understanding and continued support.

Kind regards,

Mr Clifford
